Publish on:	Intranet and Public Website
Type:	Brokerage Event
Start Date:	23 Oct 2013
End Date:	27 Oct 2013
City:	Split
Country:	Croatia
Description:	Multidisciplinary brokerage event B2B@SASOfair 2013 will take place on Friday, October 25, 2013 during international SASO fair in Split, Croatia. This event is traditional organised annually by the Enterprise Europe Network and the University of Split, Technology Transfer Office, in co-organisation with the Croatian Chamber of Economy, Business Innovation Croatian Agency – BICRO and international partners. SASO fair presents one of the most significant civil construction, wood and metal industry, energy and electrical engineering, telecommunications, crafts and small entrepreneurship fairs in Croatia. Business matchmaking is a highly focused form of B2B networking that has become a valuable and integral part of many business conferences. In as little as 20 minutes, entrepreneurs and business professionals can identify and launch potentially rewarding B2B cooperation and business partnerships. B2B matchmaking is a fast and easy way to introduce your business to both potential partners and new markets. Participation at brokerage event is free of charge and it includes entrance to the main SASO floor during the event day. The registration website: http://saso.talkb2b.net/
